The following rules, established and approved by the *Portage County 4-H/Junior Fair Dog Committee* and the *Portage County Randolph Senior Fair Board*, are binding upon all Portage County Junior Fair exhibitors. Changes may be made as needed by the *Portage County Randolph Senior Fair Board*.

The Dog Committee hereby adopts “Robert's Rules of Order” for all meetings. Ownership

The exhibitor or the exhibitor's immediate family (mom, dad, brother, sister, grandma, grandpa, uncle, aunt, and/or including the corresponding step and half relations, living in the same household) MUST own the Project Dog/s in order to participate in the *Portage County Randolph Fair* and/or the *Ohio State Fair*. Ownership of an Assistance Dog/s is respective of each applicable organization. All ownership should be in place by April 1st of each year. No hardship cases will be considered. No sharing of dogs may occur in Obedience competitions at the County level. State Fair rules differ from county rules; please refer to the *Ohio State Fair* rules regarding ownership. State rules can be found at www.go.osu.edu/dog .

Dog License (mandatory)

All dogs must be currently licensed in the exhibitor's county of residence to participate at the *Ohio State Fair* and the *Portage County Randolph Fair*. A copy of this certificate must be submitted to the club advisor by April 1st of each year. If a kennel license is issued, each dog must be assigned an individual tag number and the number shall be noted on the dog license registration form prior to submission to the advisor.

Vaccination & Health Records (mandatory)

Current Rabies vaccinations are mandated for all Junior Fair Dog Projects by the Ohio Department of Agriculture and the Ohio State 4-H Dog Program. The Ohio State 4-H Dog Program also mandates the following vaccinations: Distemper (CVD), Hepatitis, Leptospirosis, Para Influenza (CPT), Parvovirus (CPV); or otherwise at the discretion of the attending veterinarian. Bordetella is highly recommended, but not required. A copy of this certificate must be completed and signed by a licensed, accredited veterinarian. A copy of this certificate is to be given to your club advisor. If any other vaccinations are later adopted and mandated by the USDA and/or the Ohio State 4-H Dog Program, the *Portage County Dog Committee* automatically adopts and adds said requirements.

Long Forms (check-in sheets)

All dogs exhibiting at the *Portage County Randolph Fair* must be recorded on the Long Form (check-in sheet) and turned in to the Extension Office by July 1st of each year. The Extension Office will then check the form to be certain that all required paperwork has been submitted. **Required paperwork will include, but is not limited to, copies of the dog license, shot records, rabies number and a current Temperament Test.** Females in season are NOT permitted to be shown, in any event, and they are not permitted anywhere on the Fairgrounds while in season.

Skill-a-thon (mandatory)

Skill-a-thon attendance and participation is mandatory for all Dog Project members and will be held on a date prior to the *Portage County Randolph Fair*. All Dog Project members are required to attend and participate on the day designated by the *Portage County Dog Committee*, unless they present a valid excuse to their club advisor. There will be at least one (1) make-up date to be decided upon by the Skill-a-thon sub-committee.

The Dog Committee often approves other educational opportunities that may exempt members from taking the Skill-a-thon; examples of this would include a dog CPR and/or 1st aid class, and/or participation on the county Dog Bowl Team. The Dog Committee must approve any exemption and the member must provide proof to the committee of their participation in any said approved exemption. If a Dog Project member fails to take the Skill-a-thon, or participate in and provide proof of a Dog Committee approved exemption, on either the designated test day or the make-up date, they will not be allowed to show their Project Dog at the *Portage County Randolph Fair* in any class.

It is required that all Dog Project members have a Dog Resource Handbook to study from. Skillathon requirements (such as posters, book work, etc.) will be determined by the Dog Committee yearly.

Temperament Testing

Each handler/dog team must go through the Portage County Temperament Test to attend and participate in any Portage County dog show. All handler/dog teams must go through the Temperament Test and pass a total of two (2) times in two (2) consecutive years. If the dog tested was under one year of age at the time of the testing, that handler/dog team will need to go through the Temperament Test and pass a total of three (3) times in three (3) consecutive years. This will be final unless any advisor sees that a dog is behaving in a questionable manner, then an advisor can ask that the handler/dog team attend and participate in the Temperament Test again.

Each handler/dog team should have a six (6) foot lead, and dog treats, as the tester will use a treat during the test. **No muzzles, harnesses or prong collars are to be used during Temperament Testing.** At any time the tester believes that a dog or handler is becoming too stressed, the test will be stopped. No arguing is permitted with the tester and this decision. The team may continue the test at a later date and any parts tested and passed will not be re-done, however, the portions of the test that were not completed or inadequate will be tested or re-tested (not to exceed 3 tries on one test date). The evaluator has the final say as to whether or not the handler/dog team has passed the Temperament Test per the written evaluation form.

The following is a description of test items:

1. **“Accepting a friendly stranger”**- The handler will stop and greet the tester and the dog will be ignored. The dog will need to stay calm and at the handlers side.
2. **“Accepting Petting”**- The dog will accept petting from one person and will receive an overall exam by making eye contact, touching the head, feet, tail and nose and other sensitive areas.
3. **“Appearance and grooming”**- The handler/dog team will be required to be clean and hair brushed. The handler will be attentive to their animal while it is being examined. (role play with your dog like you are at the Fair).
4. **“Dog is out for a walk”**- The dog will walk beside the handler with a loose leash and the dogs attention is on the handler. The handler/dog team will be asked to stop 3-4 times and they are to maintain control.
5. **“Walking in a Crowd”**- The handler will walk their dog through a crowd. The dog may show interest in the crowd and individual people but should be attentive to the handler. The dog should have a loose leash but not a long one.
6. **“Reaction to Distractions”**- This activity will be combined with item #5. There will be a visual distraction (wheelchair, crutches, walker, stroller, etc.) in front of and behind the dog an auditory one. The dog may react to these items and be interested but show no aggression or fear to these items. The dog may jump or be startled for the auditory sound. The tester will be looking at reaction and recovery time.
7. **“Recall”**- The handler will ask their dog to sit or down. The handler will walk to the end of their six (6) foot leash, the tester will ask the handler to call their dog. The dog should return with no more than three (3) calls.
8. **“Reaction to a Neutral Dog”**- The person with the neutral dog will pass the handler/dog team. The dogs will be on the outside of the handlers. The handlers will stop briefly, say hello and shake hands. The handlers will then proceed on. The dogs are not to interact with each other. There will two (2) neutral dogs present at testing, a large dog and a small dog; some dogs react differently to different sized dogs.
9. **“Supervised Separation”** - The dog will be left with an unknown person while the handler leaves the dog and is completely out of sight for two (2) minutes. The dog will remain calm showing limited separation anxiety and remain quiet. The dog may become anxious at first but will be watched to see if it recovers in a timely fashion.

All 4-H clubs with dog projects are a part of the Dog Committee and it is a requirement for the dog project members to participate in all Dog Committee fund-raisers.

Safety and Sportsmanship

1. Exhibitors must adhere to the Code of Conduct while attending all 4-H club activities and the *Portage County Randolph Fair* in all events. The Code of Conduct will be strictly enforced. The responsibility of knowing and understanding any and all rules pertaining to the *Portage County Randolph Junior Fair* shall belong to the Junior Fair exhibitor and their parents/legal guardian.

Anyone attending events as an exhibitor, advisor, volunteer, parent, spectator, superintendent, judge, committee member or Fair official must conduct themselves in a manner consistent with the Code of Conduct and according to the Rules and Regulations of the *Portage County Agricultural Society, dba Randolph Fair*. The Code of Conduct and Rules are not limited to the show ring, but are applicable to any location on the fairgrounds and to any event held at the *Portage County Randolph Fairgrounds* including, but not limited to, meetings, workshops, clinics, contests, shows, county fair, etc.

2. Each Dog Project member will keep his/her dog on a leash or crated (but not tied) while present at judging, except when participating in the ring during judging. Exhibitors are totally responsible for their dog while on the Fairgrounds. Exhibitors are expected to clean up after their dogs.
3. The 4-H advisors, Portage County Randolph Senior Fair Board and Show Officials will have the rights and responsibilities to order the removal of any dog exhibiting unsafe or threatening behavior, or any exhibitor or other persons abusing or neglecting the dog from the Fairgrounds.
4. Any dog that bites someone (handler, advisor, other members, or visitors) during their time at the Fair must be reported to the Dog Superintendent. Depending on the Fair Board's ruling, the dog may be dismissed from the Fairgrounds for the remainder of the Fair.
5. Exhibitors and parents will display good sportsmanship at all times; including but not limited to, being courteous and respectful to the judges, stewards and other exhibitors and spectators. Any unsportsmanlike conduct (inside or outside the ring) will result in points being deducted from that category on the handler/dog team's score sheets.
6. Judges' decisions are final. Exhibitors, parents, volunteers, and other individuals are not permitted to talk with judges at any time during the Dog Show, except during Agility or Rally briefings and walk-throughs. Discussion and/or confrontation with judges may result in disqualification of exhibitor and removal of individuals from the Fairgrounds.
7. Dogs with health and/or other physical limitations should not be trained or shown in any class without consulting a veterinarian. County and/or State Officials/judges and/or advisors have the authority to stop the performance of any dog whose soundness they question.

Class Fees

Each exhibitor enrolled in a registered Dog Project, excluding Cloverbuds, must pay the set fee for each class entered (excluding Pet Pals, Costume Class and Poster Contest) for the *Portage County Randolph Fair*. This fee will be due July 1st.

Judges

The Dog Committee will hire and instruct judges and have written procedures and rules. Judges for the Fun Show shall be paid at the rate approved by the Dog Committee in accordance with *Portage County Senior Fair Board* recommendations. This includes, but is not limited to, the following classes: Obedience, Showmanship, Agility, Rally (if available) and You and Your Dog.

Handlers Appearance

Exhibitors should be neat and clean in appearance. Shorts, bare midriffs, tank tops, miniskirts, low-cut blouses, inappropriate shoes (ex: high heels, sandals, flip flops, clogs and dirty tennis shoes) are not permitted. Clean tennis shoes are acceptable and recommended at the *Portage County Randolph Fair*. Apparel with slogans, with the exception of club names, etc., is not permitted and clothes may not be torn or ragged. Hats of any type are not permitted. Youth with long hair should tie it back to keep it from interfering with handling or the judge's view.

Dogs Appearance

Dogs should be clean, well brushed and free of mats, with nails of proper length, clear eyes and clean ears, in good physical condition appropriate for the dog's age. If purebred, they are not required to have a regulation show clip. Exhibitors are permitted to have show dogs professionally groomed prior to the show and will not be penalized. Instead, all handlers are to understand what "proper" grooming consists of and why it is important and necessary.

Hair in Dog's Eyes

Any dog whose hair surrounding the eyes, ears, or beard interferes with its performance may have its hair tied back with elastic bands or small plain barrettes. Ribbons or bows are not permitted.

Fouling the Ring

A 25-point deduction will be made for any dog fouling the ring. The exhibitor and his/her dog are not to be excused from the ring. Judging is to continue once the area is properly cleaned. Fouling includes urine, feces or vomit. In exceptionally poor ring conditions, judges should confer with the show committee and other judges to determine scoring if fouling should occur.

Scores/ Ties/ Score Sheets

Scores will be accessible within a reasonable amount of time after the show has completed. Exhibitors who are tied for the top five (5) places in Obedience, Showmanship, Rally and You and Your Dog classes should remain until all classes in the same category are judged, in case of further ties. Failure to stay will mean a forfeiture of a possible placing. A run-off may be necessary to determine the placing.

Ties will be broken as follows:

Beginner Novice A, Beginner Novice B, Pre-Novice and Novice Obedience:

When two (2) or more exhibitors have the same overall scores, the scores in the first exercise will be compared. The exhibitor with the highest score in the first exercise will receive the highest placing, and so forth. If all exhibitors have the same score in the first exercise, the scores in the second exercise will be compared, and so forth until the ties are broken. If the scores remain equal throughout all the exercises, including the exhibitor's appearance, dog's appearance and overall sportsmanship, then the judge will determine and specify a heeling pattern for each handler/dog team to perform.

Graduate Novice and above levels of Obedience:

Ties will be broken by the handler/dog teams performing an exercise specified by the judge.

Rally:

All handler/dog teams will be timed. Times will be used only in the event of ties for placement.

Ties will be broken by the fastest time, with the fastest time winning.

Showmanship:

When two (2) or more exhibitors have the same overall score, the score achieved in the handling section will first be compared. The exhibitor with the highest score will receive the highest placing and so forth. If all the exhibitors have the same score in the handling section, then the scores in the Interview section will be compared, followed by the scores in the Handler Appearance & Attitude section, and then the scores in the Grooming section, until ties are broken. If the scores are equal throughout all sections, with Grooming being the last section compared, ties will be broken by the exhibitors and their dogs performing a Handling exercise as specified by the judge.

You and Your Dog:

When two (2) or more exhibitors have the same overall score then the score achieved in the interview section will be compared and the highest score will receive the highest placing. If the exhibitors have the same interview score then the score in the exhibitor's record form section will be reviewed. If these scores are equal then the scores in the next exercise will be reviewed and so forth. If all scores are identical, exhibitors will be asked three (3) tie breaking questions. The exhibitor correctly answering the most questions will receive the higher placing.

Levels and Classes

Level refers to a Rally sub-category, such as Rally Novice. Class refers to the two classes within the Rally sub-category. Once winning a Rally Intermediate class, the exhibitor is encouraged to move to the Rally Advanced A class, however, they can remain in the Intermediate level till able to perform all exercises off leash. If/when a handler/dog team wins first place in a Rally Advanced B class that team must then move to the Rally Excellent A class.
