- Townhall II

Addiction Resources

Portage County Area

Substance Use Disorder Treatment Providers

Each agency serves adults beginning with an intake process where the individual receives a clinical evaluation and is prescribed a level of services based on assessment. Outpatient Services vary by provider and may include individual and group counseling, case management, and pharmacological services in addition to recovery support services.

Medication-assisted treatment (MAT) is the use of medications with counseling and behavioral therapies for treatment.

Recovery Outreach & Supports

Recovery Outreach is an effort to help those who are struggling with any type of alcohol or drug concerns and connect them to local resources. A peer supporter and first responder will visit the individual and/or family. Call 330-678-3006.

For a list of area AA meetings, local recovery groups, and other support groups, call Townhall II at 330.678.3006

Addiction Helpline • 330-678-3006

Struggling with addiction, concerned for a friend, in need of detox or other resources contact the Helpline 24/7.
